STRUCTURAL ENGINEERING CONSULTANCY SERVICES FOR THE PROPOSED SEE BREEZE CONDOMINIUM AT WADDUWA

It was a pleasure to have engaged EDIFICE CONSULTANTS PVT.LTD as the Structural Engineering Consultant for the above project. As Project Architect, I communicated with EDIFICE CONSULTANTS PVT.LTD from the Conceptual Design Stage, their technical expertise coupled with the experience in the trade has resulted in delivering an economical yet safe design to the client. EDIFICE CONSULTANTS PVT.LTD delivered the Structural Drawings on time and attended to Technical Issues immediate basis during construction period, so that Construction Works went smoothly.

See Breeze Apartment Comprises of 4 Nos of 6 Storey Apartment Buildings and 1 Nos of 10 Storey luxurious Apartment Building. The Project cost was around LKR 2 Billion. Project consists of 196 Housing Units, Community Hall, Retail Shopping Complex and Swimming Pool at Podium Level.

We wish Edifice Consultants Pvt.Ltd are blessed with success in their every endeavours.

Thanking you!
Yours faithfully,

.....
