**STRUCTURAL ENGINEERING CONSULTANCY SERVICES FOR THE PROPOSED OSAKA HEIGHTS
CONDOMINIUM AT KIRULAPONE**

It was a pleasure to have engaged EDIFICE CONSULTANTS PVT.LTD as the Structural Engineering Consultant for the above project. As a Director, I communicated with EDIFICE CONSULTANTS PVT.LTD from the Conceptual Design Stage, their technical expertise coupled with the experience in the trade has resulted in delivering an economical yet safe design to the client. EDIFICE CONSULTANTS PVT.LTD delivered the Structural Drawings on time and attended to Technical Issues immediate basis during construction period, so that Construction Works went smoothly.

Osaka Heights Apartment is a 15 Storey Apartment with 3 basement levels. The Project cost was around LKR 1.8 Billion. Project consists of 60 apartment Units, Swimming Pool and other relevant ancillary facilities.

We wish Edifice Consultants Pvt.Ltd are blessed with success in their every endeavours.

Thanking You.

Yours faithfully.
